NOMA SURGICAL INSTRUMENTS

Quality that builds confidence

Noma Surgical was established in 1996. It is one of the most modern largest vertically integrated surgical company in Pakistan. Noma Surgical is manufacturing high quality Surgical, Dental, Orthopedic, and Eye instruments and Veterinary instruments and Beauty instruments. The company is equipped with latest technology and highly skilled and technical working staff. The commitment to excellence and consistent working approach sublimated the good will of the company high enough to be compared with any internationally well renowned company. Since its inception in the field of surgical instruments.

Noma Surgical proudly claims to be at the forefront in the products of unmatched quality instruments. Due to the application of prudent management policies consolidation of operations a strong balance sheet and an effective marketing strategy the growth trend is expected to continue in the years to come. The Company production facilities comprise of latest machinery.
